

# Researching Individuals with HillSearch

---

## Dun & Bradstreet Million Dollar Total Database

Use the Dun & Bradstreet Million Dollar Total database to find executive biographies.

Find all companies associated with one individual's name using the Advanced Search page:

- Click on the **Advanced Search** link on the opening database page.
- Click on the **Executive Name** link, listed under Contact Criteria.
- Enter an individual's name, last name first (example: Buffett, Warren).
- Click on the blue **Add to Criteria** link.
- Click on the yellow **Run Search** link on the Advanced Search page.
- Click on individual company names in the results list to view detailed profiles, including executive biographies.

Search by keyword within the **Executive Biography** field using the Advanced Search page:

- Click on the **Advanced Search** link on the opening database page.
  - Click on **Executive Biographies** link, listed under Contact Criteria.
  - Enter keywords (example: University of Minnesota).
  - Click on the blue **Add to Criteria** link.
  - Click on the yellow **Run Search** link on the Advanced Search page.
- 

## Article Databases

Search for articles from trade journals, magazines and newspapers to find in-depth information about individuals.

### EBSCO Business Source Corporate

- Choose **Business Source Corporate** from the list of three database options.
- Enter the individual's name in the **Find** box.
- Add additional keywords, such as company or industry, to limit the number of search results.
- Use quotation marks to search for phrases, and use the word AND to connect search terms (example: "Warren Buffett" AND "Berkshire Hathaway").
- Click **Search**.
- Click on article titles to view full citations and abstracts.
- Click either **HTML Full Text** or **PDF Full Text** links to view full articles.
- Use the **Print** or **Email** links to print out or email a specific article.

### ProQuest ABI/Inform Complete and ProQuest Newspapers

- Enter the individual's name in the search field.
- Add additional keywords to limit the number of search results.
- Use quotation marks to search for phrases, and use the word AND to connect search terms (example: "Warren Buffett" and "Berkshire Hathaway").
- Click **Search**.
- Click on article titles to view full citations and abstracts.
- Click either **HTML Full Text** or **PDF Full Text** links to view full articles.
- Use the **Print** or **Email** links to print out or email a specific article.

### America's Newspapers

- Click a specific region on the U.S. map to narrow search results by geography.
- Enter the individual's name in the search field.
- Click **Search**.
- Click on article titles to view full citations and full articles.

- Use the **Printer Friendly** or **Send Email** links to print out or email a specific article.
-
